UKRAINIAN MAIN STREAM

BROADCASTING

In March 2020 RIDER RENT was joined by a team of TV broadcasters and Internet streams with 15 years of experience. We created the Ukrainian Main Stream project together and during the period of lockdown we held more than 100 online concerts and festivals, online conferences, weddings, birthday parties, shows and studio interviews

When our technical capabilities, experience and customer requests in the online direction have grown, we created RIDER ONLINE brand as a new line of business
